Thanks Angeles. As this is intended to be an annual planning meeting, I think our objectives would be better met if you were able to attend.

Thanks. Unfortunately, I have a conflict and am not available on February 9th and 10th. Harry may be able to participate and if necessary, we can look at alternative dates so I can participate.

Angeles,

Fyi. I had asked for you to be included in this planning. Not sure if that got through.
